

## 21st century universities universal textbook: Calculus(Chinese Edition)

Paperback. Pub Date: 2011 08 Pages: 431  
Language: Chinese Publisher: China  
Financial and Economic Publishing House  
in recent years. undergraduate institutions  
in China has undergone great changes. to  
meet the actual needs of teaching. I write  
this calculus textbook. In the preparation  
process. the reference to the Eleventh  
Five-Year national planning materials  
issued by the Ministry of Education  
planning principles. considering the actual  
level of the students and the ability to  
accept. and efforts to highlight the  
following features: 1. Reasonable to accept  
or reject the content. so the content The  
breadth and depth of Undergraduate  
Financial Management class professional  
can meet the requirements of basic  
mathematics. but also to lay the necessary  
foundation for students to continue  
learning after; scientific arrangement and  
strive to easy-to-digest. step by step. to  
maint...
