

Horati, Flacci, Q., Opera (Kart.) (German Edition)

... Die neue Teubneriana ist eine meisterhafte Leistung, schon weil hier endlich festgefahrene Geleise verlassen werden, ohne da? der Wagen wie bei vergleichbaren fruheren Experimenten in den Abgrund sturzt... Durch seinen immer wachen Spursinn und seinen Mut, eingewurzelte Ansichten anzugreifen, hat Shackleton Bailey die wissenschaftliche Arbeit an Horaz auf eine neue Grundlage gestellt. Bentley und Housman wurden ihm gratulieren, und ich glaube, auch Horatius Flaccus ware seinem Herausgeber dankbar, da? er einiges von dem Mi?geschick, das seinen Worten im Laufe der Jahrhunderte zugesto?en ist, wiedergutmacht hat. > Josef Delz , GNOMON
