

The Paradise Beach Mysteries: Matira Bay

Time is running out to save the emerald green waters of Matira Beach in faraway Bora Bora, French Polynesia, from criminals willing to destroy one of the worlds most precious beach environments. Setting off on a new thrilling spy mission to solve an environment-related beach mystery for the secret organisation known as EP, Megan and Marcus Morgan are transported by their magical beach hut, Parry, from their holiday beach at Bexhill-On-Sea, East Sussex, to the beautiful island of Bora Bora, where they are faced with a fast-decaying coral reef, a dangerous hotel property developer and a mysterious hotel guest who hates children. What is it about the famous Bora Bora black pearl farm that might save the pure waters of Matira Beach as well as Megan and Marcus themselves? Secret agents everywhere are invited to step inside the amazing Bexhill-On-Sea beach hut of The Paradise Beach Mysteries and join Megan and Marcus Morgan, as they travel at the speed of light to far-away top-rated world beaches, in a quest to save them from environmental ruin.
