

Lives Behind the Badge

What wife of an officer hasn't lain awake at night wondering if her husband is safe, or has felt resentment when dinner once again grows cold all in the name of duty. In this book Kristi Neace brings forth real stories from LEO wives all over the country who have experienced similar issues such as: fear, anger, worry, respect, pride, thankfulness and much more. Each topic is inspired by a down-to-earth devotion reminding us that only through our Heavenly Father can we find peace in the midst of chaos; purpose in the eye of worldly indifference. Kristi covers the hot-button issues you're sure to face and gives you the tools to navigate in uncertain times.
