

Bumps in the Night

A whimsical look at nighttime bumps, thumps, creaks, and squeaks. Featuring amusing color pictures and lyrical rhyming text, *Bumps in the Night* offers mostly reasonable explanations for spooky sounds a child may hear while trying to go to sleep. Klutzy family members, a noisy neighborhood, even a fire-breathing furnace all take the stage during the course of the night. Then again, not every noise is so easily explained. Wheres the fun in that?
