

Abby Carnelias One and Only Magical Power

SILLY MAGICAL POWERS, KIDS ON THE RUN. In a whimsical debut novel from the popular technology writer. One day, Abby Carnelia, ordinary sixth grader, realizes she has a magical power. Okay, its not a fancy one (she can make a hard-boiled egg spin by tugging on her ears). But its the only one she has, and its enough to launch her into an adventure where she meets a host of kids with similarly silly powers, becomes a potential guinea pig for a drug company, and hatches a daring plan for escape. Kids will be dying to unearth their own magical powers after reading this whimsical debut by tech personality David Pogue.
