**Climatological Data for Arctic Stations - Google Books** North Pole Weather Data and Instrumentation. On April 28, 2002, NOAA PMEL deployed the first North Pole Web Cam on an ice floe drifting southward from the **Meteorological Data from the Russian Arctic, 1961-2000** A weather station is a facility, either on land or sea, with instruments and equipment for Each weather station submitting data to CWOP will also have an individual Web . Antarctic Automatic Weather Stations Project Australia/Bureau of **Climate of the Arctic - Wikipedia** **Vostok Station - Wikipedia** Title, Climatological Data for Arctic Stations, Issue 1. Contributors, United States. Weather Bureau, National Science Foundation (U.S.). Publisher, Weather **Arctic Zone: North Pole Weather Data & Instrumentation - NOAA/PMEL** This data set contains monthly means of meteorological observation data from Russian stations from 1961-2000 (for most stations). The Russian station **Studying Arctic Climate National Snow and Ice Data Center** US Weather Station Data Global Station Data Climatologies Forecasts El Nino Education Interactive Web PagesClimate Indices Snow Water Resources Nice colormaps of surface winds, temperatures, pressure, surface observations, snow depth etc. for the Arctic. Arctic Station Data The Weather **User guide containing quality assessment of Arctic weather station** This database contains monthly mean surface temperature and mean sea level pressure data from twenty-nine meteorological stations within the Antarctic **Arctic Meteorology and Climate Atlas - National Snow and Ice Data** This product consists of meteorological data from 105 Arctic weather stations and 137 Antarctic stations, extracted from the National Climatic Data Centers **Where is it possible to find raw climate data? - Quora** Vostok Station is a Russian (formerly Soviet) research station in inland Princess Elizabeth Land As a signatory to the Antarctic Treaty System, Australia does not exercise Vostok Station has an ice cap climate (EF), with subzero cold winter year . 420,000 years of

ice core data from Vostok, Antarctica, research station. **Monthly Mean Precipitation Sums at Russian Arctic Stations, 1966** Institute of Arctic and Alpine Research Boulder, USA Climate research relies heavily on meteorological data from surface stations. Usually, stations are part of **Polar Meteorology: Web Resources** This product consists of meteorological data from 105 Arctic weather stations and 137 Antarctic stations, extracted from the National Climatic Data Center **DMI data on Arctic temperatures: Hide the Increase?** The Automatic Weather Station (AWS) Project, funded by the NSF Office of Polar Programs, involves collecting meteorological data from an array of automatic **Weather station - Wikipedia** 2,064 homogeneity adjusted precipitation stations were combined with a data set containing 20,590 raw precipitation stations throughout the world onto a 72x36 **Climatological Data - Google Books Result** The Danish Meteorological Institute (DMI) Arctic 2m air temperature data The models assimilate inputs from weather stations, drifting stations and buoys, **climate4you Polar temperatures** The Rothera station (UK) provides data on the climate of the Antarctic Peninsula. It is located on the west side of the peninsula at Rothera Point on Adelaide **Antarctica Climate data and graphs, South Pole, McMurdo and Vostok** One of the primary purposes of the drifting stations during the Russian North Pole Drifting Station program was to collect all possible meteorological data while **Central Asia Temperature and Precipitation Data** Antarctic long meteorological data series The number of high latitude meteorological stations is low in the early part of the 20th century, but increased from **Historical Arctic and Antarctic Surface Observational Data** Resources include data in categories such as land-based station, radar, satellite, weather NOAA National Climatic Data Center (NCDC) > State of the Climate > **Portal > Environment > Climate/Weather** A list of stations that appear in this data set and Meteorological Data from the Russian Arctic, 1961-2000. **Regional climate variation and weather - Discovering Antarctica** The cold arctic air mass that swept into the State on the 20th-21st set record-low temperatures for that date at most stations, but did not set record-low temperatures for the month. Table 1 summarizes the rainfall data for the last six months. **ESRL : PSD : FAQ: Locating climate and weather data and information** D1.41 User guide containing quality assessment of Arctic weather station and buoy data. Due date of deliverable: 30/04/2012. Actual submission date:17/02/ **Climatological Data for Arctic Stations - Google Books** 1-7) World Meteorological Organization (WMO) Station Number with a single World Weather Record publications or from the publication Monthly Climatic Data for . in long-term surface air temperature variations and modern Arctic warming. **A Databank of Antarctic Surface Temperature and Pressure Data** Casey and Mawson, climate data and graphs for the Australian antarctic bases. Temperature, rainfall and wind speed information for stations in Antarctica. **Antarctica Climate data and graphs, Casey and Mawson stations** Title, Climatological Data for Arctic Stations, Issue 1. Contributors, United States. Weather Bureau, National Science Foundation (U.S.). Publisher, Weather
