

Kickers #2: Fake Out

Introducing a soccer series for new readers Kickers #2 The Kickers soccer league is heating up, and Bens team, the Bobcats, has two losses, one win, and one tie. Ben knows he can pull his team out of its slump and right into the league play-offs with his new move: the fake-out. He practices the tricky footwork every chance he gets. But every time he tries it on the field, he flubs up, loses the ball, and hurts his team. Meanwhile, everyone else is faking him out. Is Ben out of his league? In his Kickers series, award-winning author Rich Wallace offers action-filled novels about the Bobcats, a fourth-grade coed soccer team, and their bid for the league play-offs.
