

Lucinda in Love Filled Fairyland

Lucinda is a bubbly, beautiful, seven and a half year old girl. During a visit to her Grannys house she is given a wonderful painting of Love-Filled Fairyland which, it turns out, is really a portal to this magical place. This is the start of a fabulous journey for Lucinda as she is taken by Linda, the lovely fairy, to Love-Filled Fairyland. Here she meets all sorts of amazing characters. The animals actually speak to her and fairies live in a wonderful castle. The towns people love Lucinda and all the children of the world unconditionally. Lucinda has the most wonderfully exciting adventure in Fairyland. Lucinda is not only for children, but for adults who are allowing their inner child to heal. Come with Lucinda to play, imagine, and explore the magic of this incredible journey.
