

## Citizenship for Primary Schools: Teachers Book Year 1-2 (P2-3)

The Teachers Resource Books help teachers address citizenship education confidently and in a structured way. The content is clearly linked to the non-statutory Framework for PSHE and Citizenship in the National Curriculum, and in Wales the community aspect of the PSE framework (ACCAC 2000). This title provides themed lesson plans, photocopiable resource sheets and ideas for discussion and extension work. It also gives detailed guidance on using the lesson plans, Flipover Books and Photopacks.
