

The House with the Magic Cellar: Realm: I

Twelve-year-old Angela and thirteen-year-old Tony are neighbors and best of friends who have a penchant for getting into trouble. While playing in Angela's creepy basement one day, they discover a secret portal that leads them to a magical world beyond their wildest imaginings. In this new and exciting realm, they train to become wizards, meeting an eclectic cast of characters along the way. But even in this place, Angela and Tony become embroiled in mischief. After all, what kid wouldn't want the power to transform into a beastly dragon or the ability to command any inanimate object to fly across the room? As the two become enveloped in the realm of mysterious creatures and beings, they must face a cruel and evil wizard who plans to overtake the magical world. Can Angela and Tony defeat him before the wizard destroys everything they've come to love?
